A Dual Immersion (Spanish-English) Model

Specialist: Extended Learning Teacher 2001 - 2006

[Glacier Valley Elementary School](#), Juneau, Alaska, USA
An Arts Integration Model

"There are teachers who can create engaging, motivating and challenging learning opportunities at a small level, individually in their own rooms, but it is rare to see one who can reach out and work so skillfully with other staff members the way Jeremy does, resulting in projects that benefit students throughout his building."

Barbara Mitchell, Teacher of the Year
State of Alaska, USA

LEADERSHIP

Team Leader for 5 years, Grades 2 and 3

Piloted 1:1 iPad Programs, Grades 2 and 3

Producer and Grant Writer: Tides & the Tempest

"Jeremy has a deep understanding of how students learn math content. He has provided invaluable leadership to help teachers and students understand the Math Practices."

Dr. Dan Keller, PhD, Principal
Saigon South International School

CURRICULUM & PROFESSIONAL DEVELOPMENT

"It has been a pleasure to redesign the curriculum with Jeremy because of his deep understanding of pedagogy and curriculum development. One of Jeremy's greatest strengths is his reflective nature, which keeps him continuously striving to better meet the needs of his students."

Tina Fossgreen, Curriculum Director
Saigon South International School

Christopher Beanes
Campus Planner and
Facilities Manager,
SSIS
